Does this bring back memories?
A policeman controlling traffic?

(Last month's answers: Joey Fraser, Ann Hunter & Iain Glen)

As in previous years it has been suggested we have a collection of Easter Eggs from the congregation. The Sunday School children have requested that the eggs should be sent to Polkemmet Primary School children this year and the children from the Sunday School will be delighted to accept your donations on Sunday 18th March. The small Cadbury's Crème Eggs would be considered appropriate for this however, if you prefer certainly nothing bigger than the various brands retailing at £1 in the supermarkets.

Just an ordinary person
With an ordinary life
An ordinary Mother
And an ordinary Wife
With an ordinary witness
To a faith, that all might see
An extraordinary Saviour
Who died for you and me
